Zovoha

Zovoha investor one-pager

Technology, data and careers, together. One company. Three businesses. Learn. Build. Launch.

WHAT ZOVOHA IS

A Gurugram-headquartered company with three businesses: Zovoha Enterprise (software, cloud, AI and IT systems), Zovoha Analytics (business analysis and data) and Zovoha Careers (an Enterprise Tools Practical Training Platform). Zovoha Enterprise begins Friday, 12 February 2027 at Hyderabad.

HERITAGE

New company, built on four years of practical training by the predecessor team HCDS Technologies (October 2021 to October 2025, closed November 2025). Zovoha is not HCDS.

PREDECESSOR TRACK RECORD (NOT ZOVOHA RESULTS)

900+
students trained and placed, 2021-2025

3
micro startups incubated (2023, 2024, 2025)

4 years
of hands-on practical training

BUSINESS MODEL

- Three prepaid revenue lines. All services fully prepaid. No instalments, no discounts.
- Asset-light: partner workplaces in 12 cities (75+ locations) are managed by Awfis and WeWork. Zovoha does not own, lease or operate them.

MARKET (THIRD-PARTY ESTIMATE)

India corporate training market: USD 12.2 billion in 2025, forecast USD 39.9 billion by 2034 (12.86% CAGR). Source: IMARC Group. This is the wider market, not a Zovoha forecast.

TEAM

- Zovoha Mistry, Founder and Director: technology, strategy, product, services administration
- Swapnil Saxena, Co-Founder and Director: branding, marketing, growth, business development
- Kanchan Mistry, Co-Founder and Director: governance, finance, operations, human resources

FINANCIAL HONESTY
